Distribution

Every month CAP TODAY brings essential news to all key decision-makers responsible for clinical laboratory purchases.

This news includes advances in tests and equipment, trends in management and clinical operation, regulatory changes, and finance, plus news about the laboratory improvement programs of the College of American Pathologists.

Independent research studies show that CAP TODAY is #1

in total ad exposures for the marketplace. Kantar Media Healthcare Research has completed new studies on pathologists, clinical lab directors, lab managers and administrators, section managers and supervisors, and total hospital purchasing influence. In 2017, CAP TODAY carried more advertising than any other book in the field.

Essential monthly reporting on the clinical laboratory for lab managers and administrators, physicians, lab directors, and supervisory technologists.

Readers*

All key decision-makers, no excess

Pathologists and Laboratory Directors	18,000
Laboratory Managers and Laboratory Administrators	5,000
Chief Techs; Section Managers/Supervisors of Chemistry, Hematology, Microbiology, Immunology, Blood Bank, Cytology, or Histotechnology	21,000
TOTAL	44,000

*This listing is specially grouped for convenience. See the BPA Publisher's Statement for detailed circulation data.

Proven Research

CAP TODAY offers the most thorough research in the field. This allows advertisers to understand exactly how CAP TODAY delivers messages to the various professional titles and personnel in the circulation and serves to explain the laboratory market.

Ask for copies or, better, presentations of studies on:

- 1. Pathologist readership**
- 2. Readership by section managers and supervisors—** often the backbone of your lab contacts and relationships
- 3. Portrait of the clinical laboratory—** purchasing and personnel data and readership by lab directors and lab administrators
- 4. Purchasing influence—** hospital executives tell us how their institutions acquire a range of lab products and services

Combined Frequency Discounts

Insertions in CAP TODAY and the *Archives of Pathology & Laboratory Medicine* combine to determine the earned rate in each publication. Call your representative for details.

Digital Advertising

Print advertisers receive value-added online ads. See our digital edition at www.captodayonline.com/mag

Services to advertisers

✓ **AD-MARK** In 2018, CAP TODAY will test all ads in the February, June, and November issues. This service provides direct feedback from readers as to how an ad is received. Companies can track how an ad stacks up to others in the same product category, evaluate the half-life of an ad that has been running, and perform valuable benchmarking for new campaigns. Ask your representative for details.

🔍 **ReadEx Red Sticker Study** October 2018 issue. The Red Sticker Study examines multiple facets of readers' attitudes to ads—includes verbatim comments and measures of attention, appeal, and reading.

List rental CAP TODAY makes its list available to advertisers at nominal rates. Ask your representative for details.

Merchandising CAP TODAY can provide assistance to advertisers through customized research projects and sales support efforts.

Reprints CAP TODAY reprints make valuable sales aids for the field. Contact Production Editor Jane Ure at 847-832-7980 or jure@cap.org

Independent syndicated media research on readership and ad placement. CAP TODAY participates in and can share results from independent media research on readership and ad placement in the clinical laboratory marketplace. Such media research is often the best aid in planning the most effective ad schedule. Ad placement and spending data for the market help establish essential metrics.

Digital extras In 2018, all CAP TODAY run-of-book advertisers can enjoy a free hot link at www.captodayonline.com. Send an email to mlindsa@cap.org for details. Internet advertising and sponsorship opportunities are described on request. Ask your representative for details.
