**Commission:** 15% to recognized agencies    **Inserts:** Consult Advertising Director

## \*Color Costs

<b>4-color</b>	1,500
<b>2nd color matched from process</b>	700
<b>5th color or Pantone</b>	900

Ads produced with combinations of process inks (cyan, magenta, yellow, and black) use color most economically. Many Pantone (PMS) specified colors can often be approximated using process inks. CAP TODAY can help you plan the most efficient use of your color. Call Keith Eilers, 847-832-7528, for specific information.

**Circulation Frequency:** Monthly  
**Mailing:** Periodical Class

# Distribution

Every month CAP TODAY brings essential news to all key decision-makers—clinical lab managers and administrators, pathologists, physicians, lab directors, and supervisory technologists responsible for clinical laboratory purchases.

This news includes advances in tests and equipment, trends in management and clinical operation, regulatory changes, and finance, plus news about the laboratory improvement programs of the College of American Pathologists.

# Readers

All key decision-makers, no excess

Pathologists and Laboratory Directors	18,000
Laboratory Managers and Laboratory Administrators	6,000
Chief Techs; Section Managers/Supervisors of Chemistry, Hematology, Microbiology, Immunology, Blood Bank, Cytology, or Histotechnology	16,000
<b>TOTAL</b>	<b>40,000</b>

# Services to advertisers

✓ **AD-MARK** In 2024, CAP TODAY will test all ads in the February, July, and November issues. This service provides feedback from readers as to how an ad is received. Companies can track how an ad stacks up to others, evaluate the effectiveness of an ad that has been running, and perform valuable benchmarking for new campaigns. Ask your representative for details.

◆ **Readex Ad Impact Study** September 2024 issue. The Readex Ad Impact Study examines multiple facets of readers' attitudes to ads—includes verbatim comments and measures of attention, appeal, and reading.

**List rental** CAP TODAY makes its list available to advertisers at reduced rates. Ask your representative for details.

**Reprints** CAP TODAY reprints make valuable sales aids for the field. Contact Production Editor Jane Ure at 847-832-7980 or jure@cap.org

# Digital Advertising

Print advertisers receive value-added online ads. Your print ad will be mirrored in our digital edition with a URL of your choice. See our digital edition at [www.captodaymag.com](http://www.captodaymag.com). In addition, CAP TODAY advertisers have exclusive digital advertising opportunities available. Please see separate CAP TODAY 2024 digital offerings.

# Combined Frequency Discounts

Insertions in CAP TODAY and our monthly peer reviewed journal publication *Archives of Pathology & Laboratory Medicine* combine to determine the earned rate in each publication. Call your representative for details.

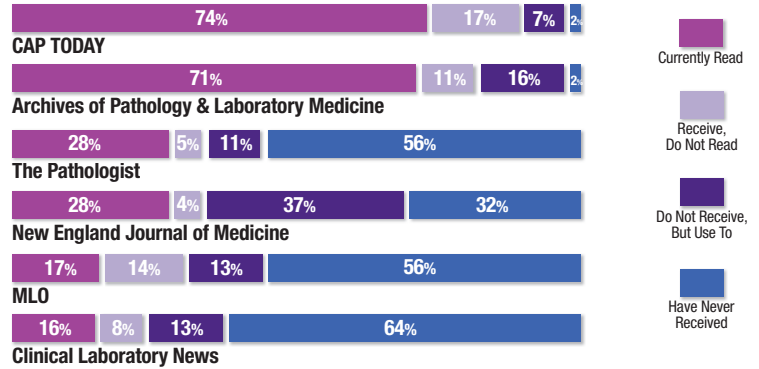

# Proven Research

Independent research studies show that CAP TODAY is #1

in total ad exposures for the marketplace. Kantar Media Healthcare Research has completed new studies on pathologists, clinical lab directors, lab managers and administrators, section managers and supervisors, and total hospital purchasing influence. CAP TODAY carries more advertising than any other book in the field.

## Publications Read/Receive by Pathologists

Kantar Media Healthcare Research

Media Measurement 2023 - Pathology  
Copyright © 2023 Kantar Media Healthcare Research

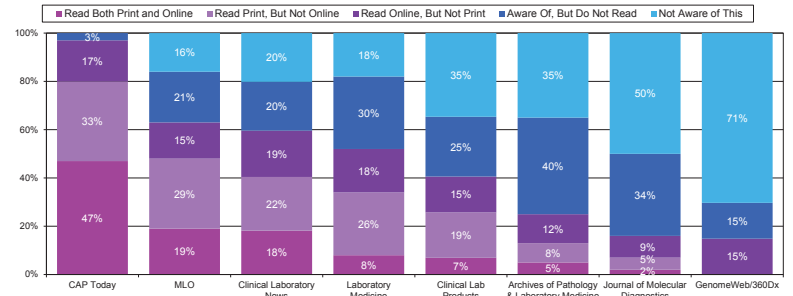

Ask for copies or, better, presentations of studies on:

- 1. Pathology Media**
- 2. Portrait of the clinical laboratory—** purchasing and personnel data and readership by lab directors and administrators, lab managers, and section supervisors
- 3. Purchasing influence—** hospital executives tell us how their institutions acquire a range of lab products and services. **Discover who makes purchasing decisions.**

## Results from lab directors and administrators, lab managers, and section supervisors

## Instrument/IT System Product Guides

Detailed charts provide information essential to lab directors, administrators, and managers making buying decisions. Product guide listings, an editorial feature, are always free and companies provide the content for their listings, including contact information.

## Independent Research

✓ **AD-MARK** is a readership and advertising study. Advertise and get a comparative report on your ad and every ad in the issue.

◆ **Readex Ad Impact Study** examines multiple facets of readers' attitudes to ads—includes verbatim comments and measures of attention, appeal, and reading.

## What others are saying about CAP TODAY

All categories of lab professionals consistently rate CAP TODAY **"Most important to my job."**

Ranks **No.1 in Readership and Ad Exposures** for: (1) pathologists and medical lab directors; (2) clinical laboratory section managers and supervisors; and (3) lab directors, managers, and lab administrators in hospitals with 100+ beds and independent labs. Source: Kantar Media research studies
