

Accula POC flu A/flu B test, 4/18

April 2018—Mesa Biotech announced its Accula Flu A/Flu B test is FDA 510(k) cleared and CLIA waived. It is the company's first flu A/flu B test cassette available in the U.S. The PCR test provides results in approximately 30 minutes. It will be marketed by Sekisui Diagnostics under the Silaris brand.
