

# Empowering Pathology Partnerships for Growth & Rewards with GoPath

Dr. Bloom

Dr. Lu

Webinar presenters **Jim Lu, MD, PhD, CEO**, Medical Director GoPath Diagnostics, and **Kenneth Bloom, MD**, Head of Pathology, Nucleai, discuss the future of partnerships between community-based pathology groups and (national) laboratories, including sub-specialty coverage, workload balancing, solutions in high-tech diagnostics, turnkey support for digital path and AI, and opportunities for more revenue and higher profits.

This on-demand webinar originally broadcast January 25, 2024.

Moderated by: Bob McGonnagle, Publisher, CAP TODAY.
