

# Implementation of an FDA-cleared tumor profiling assay to enable localized Precision Oncology testing for patients

Dr. Harada

Dr.  
Chandrashekar

Dr.  
MacKinnon

Webinar presenters **Alexander Craig MacKinnon, Jr, MD, PhD**, Professor, Department of Pathology, University of Alabama at Birmingham, **Darshan Chandrashekar, PhD**, Assistant Professor, Department of Pathology-Genomic Diagnostics and Bioinformatics, University of Alabama at Birmingham, and **Shuko Harada, MD**, Professor, Department of Pathology-Genomic Diagnostics and Bioinformatics, University of Alabama at Birmingham, discuss rapid biomarker identification and how it promises more comprehensive approaches, including an FDA cleared solution with a clear path to reimbursement; how professional services with dedicated project management offer a streamlined path to implementation; and how sample and data ownership opens up avenues to explore research opportunities.

This on-demand webinar originally broadcast December 5, 2023.
