January 17, 2014

January 2014—Miraca Life Sciences (MLS) has acquired PLUS Diagnostics from Water Street Healthcare Partners. MLS provides diagnostic services in dermatology, gastroenterology, hematology, and urology. PLUS, founded in 1990, is a cytology, histology, and molecular pathology laboratory with specialization in dermatopathology, hematopathology, gastrointestinal pathology, and genitourinary pathology.

The combined entity will serve more than 5,500 patients each day.
