

Partnership provides laboratory outreach services, 3/15

March 2014—Central Ohio-based Mount Carmel Health System has partnered with Chi Solutions to offer enhanced quality laboratory outpatient services for existing physicians, clients, and customers, and to provide a highly competitive laboratory offering to market-at-large physicians.

“Chi Solutions is the bridge in our laboratory that will allow us to provide greater access to our high-quality services and to strengthen the relationship across the continuum of care for our patients and physician partners,” Mount Carmel West CEO Sean McKibben said in a statement.

Ann Arbor, Mich.-based Chi Solutions is a clinical laboratory consulting and management firm focused on delivering revenue growth, cost savings, and optimized operations for hospitals, health systems, and hospital-owned independent laboratories.
