

Quest buys clinical lab services of BCL

written by CAP TODAY

February 19, 2020

February 2020—Quest Diagnostics has acquired certain assets of the clinical laboratory services business of Boston Clinical Laboratories, based in Waltham, Mass.

“Given increasing reimbursement pressures on today’s labs, now is the right time for BCL to transition the business,” Hossein Bayat, PhD, chief operating officer of Boston Clinical Laboratories, said in a press statement.

BCL services will transition to the Quest laboratory in Marlborough, Mass.
