

Siemens' new name, 6/16

June 2016—On May 4 Siemens Healthcare unveiled its new name, Siemens Healthineers.

According to a company statement, the name “embodies the company’s pioneering spirit and engineering expertise in the healthcare industry.”

“We have an exceptional track record of engineering and scientific excellence and are consistently at the forefront of developing innovative clinical solutions that enable providers to offer efficient, high quality patient care. Going forward as Siemens Healthineers, we will leverage this expertise to provide a wider range of customized clinical solutions that support our customers’ business holistically....” Bernd Montag, CEO of Siemens, said in the statement.
