

Streck distribution agreements, 9/17

September 2017—Streck and Inter Medico, a privately owned Canadian distributor of medical diagnostic and research-related products, have signed a distribution agreement for Streck's cell stabilization and molecular products. Inter Medico will have exclusive distribution rights in Canada to those Streck products.

Streck has also signed a distribution agreement for the company's cell stabilization products with Viagene, a Slovak distribution company focused on the areas of genetics, molecular biology, pathology, and NGS technology.
