

Sysmex renews LABSCO distributorship, 12/14

December 2014—Sysmex America announced an amended distributorship agreement with Laboratory Supply Co. This agreement is for Sysmex reagents, controls, and instruments, including the Sysmex XS-1000i, Sysmex pocH-100i, Sysmex XP-300, XT-Series, and XN-Series automated hematology analyzers.

The agreement continues until Aug. 31, 2017 and is exclusive in hospitals with fewer than 150 beds in the contiguous 48 states and nonexclusive in the physician office laboratory market.
