

Sysmex to distribute, service Siemens Clinitek Novus

Aug. 11, 2020-[Sysmex America](#) announced an exclusive agreement with [Siemens Healthineers](#) that grants North American rights to distribute and service Siemens Clinitek Novus Automated Urine Analyzers for hospital and reference laboratory use. The analyzer combines dry-pad urine chemistry technology and a cassette test format to help ensure maximum productivity and standardized testing.

“Siemens Healthineers Clinitek Novus Urine Analyzer completes Sysmex America’s automated urinalysis portfolio, resulting in a modular and fully automated urinalysis workflow solution that integrates urine chemistry, fluorescent flow cytometry, and digital imaging,” Andy Hay, chief operating officer of Sysmex America, said in a press statement.

The Clinitek Novus will be distributed by Sysmex America as a fully integrated component of the company’s portfolio of UN-Series instruments and as a standalone product.
